DIRECT-TO-OBJECT PRINTING AT ITS FINEST

HIGH-SPEED PRODUCTIVITY

HIGH-DEFINITION OUTPUT

ULTIMATE VERSATILITY

Get high speed results with the fastest UV flatbed in its class

▶ Staggered print heads, powerful lamps and increased bed size make the MO series the ultimate in high-production flatbed UV print.

▶ Deliver printing speeds up to 1.4 times faster than comparable models from other brands.

▶ Twice as fast as previous models when printing white or gloss ink.

A complete solution with unrivaled print quality

▶ Specially formulated UV inks deliver high-definition results every time.

▶ Reproduce small letters, fine textures, gradations and high-quality graphics with ease.

▶ Additional Red and Orange inks extend the color gamut ensuring accurate color matching.

Versatile and flexible to address any business need

▶ Print on a wide variety of substrates and objects with the same powerful ink formulation.

▶ Distance Mode makes it possible to print high-quality graphics on curved or uneven surfaces.

▶ An optional rotary printing unit allows customization of cylindrical objects.
